

Why Attend?

Earn supplemental income from your land

We help landowners learn about generating supplemental income from their property. Whether you have considered an outdoor business or already have a business that you wish to expand, the information at this workshop will help you.

Talk directly to experts

Morning presentations will allow you ask questions and talk to legal experts, wildlife habitat specialists, marketing specialists, and more.

Learn about different outdoor businesses

Not sure what business might be right for you? We'll talk about the various types of outdoor businesses, including the pros and cons and income potential of each. Examples include outdoor recreation businesses such as hunting leases and agritourism and businesses based on harvesting the resources on your land (i.e. Christmas tree farms and u-pick farms).

Need more information?

Visit the Natural Resource Enterprises program website at www.naturalresources.msstate.edu for information about what we do, how to start a business, how to operate a business, how to grow a business, and more.

The Natural Resource Enterprises program is a partnership between Mississippi State University's Extension Service, Forest and Wildlife Research Center, Agricultural and Forestry Experiment Station and the U.S. Fish and Wildlife Service.

Schedule

Registration begins at 8:30 am and program starts at 9:00 am. Lunch will be provided. The program will wrap up at 3:00 pm.

Presentation Topics

- Bobwhite quail management practices
- Bird dog demonstration and viewing training grounds
- Farm Bill programs
- NRE land revenue potential
- Legal considerations on land
