

# Why Attend?

## Earn supplemental income from your land

We help landowners learn about generating supplemental income from their property. Whether you have considered an outdoor business or already have a business that you wish to expand, the information at this workshop will help you.

## Talk directly to experts and landowners

Morning presentations will allow you ask questions and talk to wildlife habitat specialists, local forest landowners, NRCS (USDA) experts, and more.

## Learn about different outdoor businesses

Not sure what business might be right for you? We'll talk about the various types of outdoor businesses, including the pros and cons and income potential of each. Examples include leasing your land for hunting and outdoor recreation.

## Need more information?

Visit the Natural Resource Enterprises program website at [www.naturalresources.msstate.edu](http://www.naturalresources.msstate.edu) for information about what we do, how to start a business, how to operate a business, how to grow a business, and more.

The Natural Resource Enterprises program is a partnership between Mississippi State University's Extension Service, Forest and Wildlife Research Center, Agricultural and Forestry Experiment Station and the U.S. Fish and Wildlife Service.
